

TOWN OF DAVIE TOWN COUNCIL AGENDA REPORT

TO: Mayor and Councilmembers

FROM/PHONE: Herb Hyman-(954) 797-1016

SUBJECT: Resolution

TITLE OF AGENDA ITEM:

A RESOLUTION OF THE TOWN OF DAVIE, FLORIDA, ACCEPTING THE BID FOR A HYDRAULIC SUBMERSIBLE PUMP.

REPORT IN BRIEF:

A competitive bid was conducted for a hydraulic submersible pump for the day-to-day operation of the Town's Utilities Department. The Town sent out specifications to twenty-four (24) prospective bidders. Additionally, the bid was advertised state-wide in Florida Bid Reporting and nationally in BidNet and also posted on the Town's web site. The Town received seven (7) responses (six (6) bids and one (1) "no bid" response). There were several bidders that did not meet the specification as outlined in the department recommendation memo attached hereto. The Utilities Department confirms that the specification was not a proprietary specification that only one vendor could meet. Further, the Utilities Department confirms that the specifications detailed characteristics of the type pump that would be required to meet their performance criteria. Therefore, the recommendation is for Moving Water Industries who is the lowest responsive and responsible bidder.

PREVIOUS ACTIONS:

Not applicable.

CONCURRENCES:

The recommended award has been reviewed by the Utilities Director and the Bid Specification Committee who concur with the decision to award to Moving Water Industries.

MEMORANDUM

To: Herb Hyman, Procurement Manager
From: William Peele, Superintendent of Operations
Date: October 18, 2001
Subject: Bid Number B-01-90 Hydraulic Submersible Pump

After reviewing bid tabulations, I have determined that Moving Water Industries to be the lowest bidder to meet specifications.

There were three vendors that bid lower, Farmers Mfg., Thompson Pumps, and Godwin Pumps. Two of the vendors do not meet the pumping capacity of 1900 gpm @ 40 ft of head as specified in the bid.

Farmers Mfg. was less than a 1000 gpm @ 40 ft, Thompson Pumps was 1400 gpm @ 40 ft.

The third low bidder, Godwin Pumps, did not meet the fuel and hydraulic oil capacities and the local parts and service center. The closest center is in Atlanta Ga.

The fourth low bidder, Moving Water Industries, is unable to meet the 6 week delivery. They have indicated that 8 to 10 weeks is more realistic. This is fine as time is not critical.

The remaining bidders, Holland, Southeastern, were higher, but did not meet specifications and Barney's did not bid.

Therefore, if waving the delivery time isn't a problem, I recommend awarding the bid to Moving Water Industries.
